## **OVERWHELMING SUPPORT FOR SINGLE OPERATIONAL STAFF AGREEMENT**

### ***85% SUPPORT FOR YES VOTE***

Members are advised that counting of the OO/OM Ballot was conducted this morning by the AEC.

There was strong participation in the ballot with 71% of the cohort returning a valid vote.

Of the 84 valid votes cast the following result was obtained:

**YES 71**  
**NO 13**

Consequently there is overwhelming support for OO/OMs to be included in a single operational staff agreement.

Please remember that once negotiations have finalised, a subsequent ballot will determine whether the content of the OO/OM agreement is endorsed by all who hold those ranks.
